### specs:

Length	Width	Height	Weight	Cargo/Cab Dim.	Capacity
108"	50"	69"	348#	50" L x 43.5" W x 21" H	38 cu.ft.

Versatile and agile, the Coaster Draft Freighter gets you right where you want to be, allowing you to access the tightest spaces for loading while still rolling easily into crowded festivals and events.

Generous side panels promote your brand to your customers, while an optional rockin' bluetooth stereo sets the mood. Standard features include a fully insulated cargo area, sealed jockey box, twin 50' cooling coils, twin taps with drip tray, CO<sup>2</sup> tank, hoses, and D-couplers deliver your product perfectly to waiting customers.

The Draft Freighter comes complete and ready to roll.

Pick your color, add your custom graphics and your mobile beer garden is ready to quench the thirsty masses.

**Inside of Cargo Area with Jockey Box**

The **Coaster Draft Freighter** is built on a sturdy steel frame with a corrosion-resistant, fully insulated aluminum box that has a large lockable rear door for secure and easy access. A 24-speed drive train allows for a gear range capable of tackling any terrain while hydraulic disk brakes give the operator reliable and consistent braking in all conditions. Heavy-duty wheels and tires and dual crown fork give a smooth and reliable riding experience.
