

Cargo 350 & Pedicab Chassis Triangle Template

Template is full size

These are the triangle pieces for the Mini-Chassis and Pedicab vehicles. The live area (TRIM) is the light blue. Magent line and holes are the trim and mount points. The pink bleeds .33" outside the cut lines.

CoasterCycles.com

BLEED area:
This edge will be the final EDGE of the decal *before* installation.
(Light magenta area)

LIVE area:
This edge will be the trimmed EDGE of the decal *after* installation.
