

Transit 350 Plain

Transit 350 PLN Front Panel A

LIVE area:
25.5 wide x 12.0" tall
This edge will be the *final edge* after installed on panel. (Light blue area)
(For this vehicle, cut graphics are a better option than full vinyl print.)
For front decals no bleed. Supply full size decal to trim.

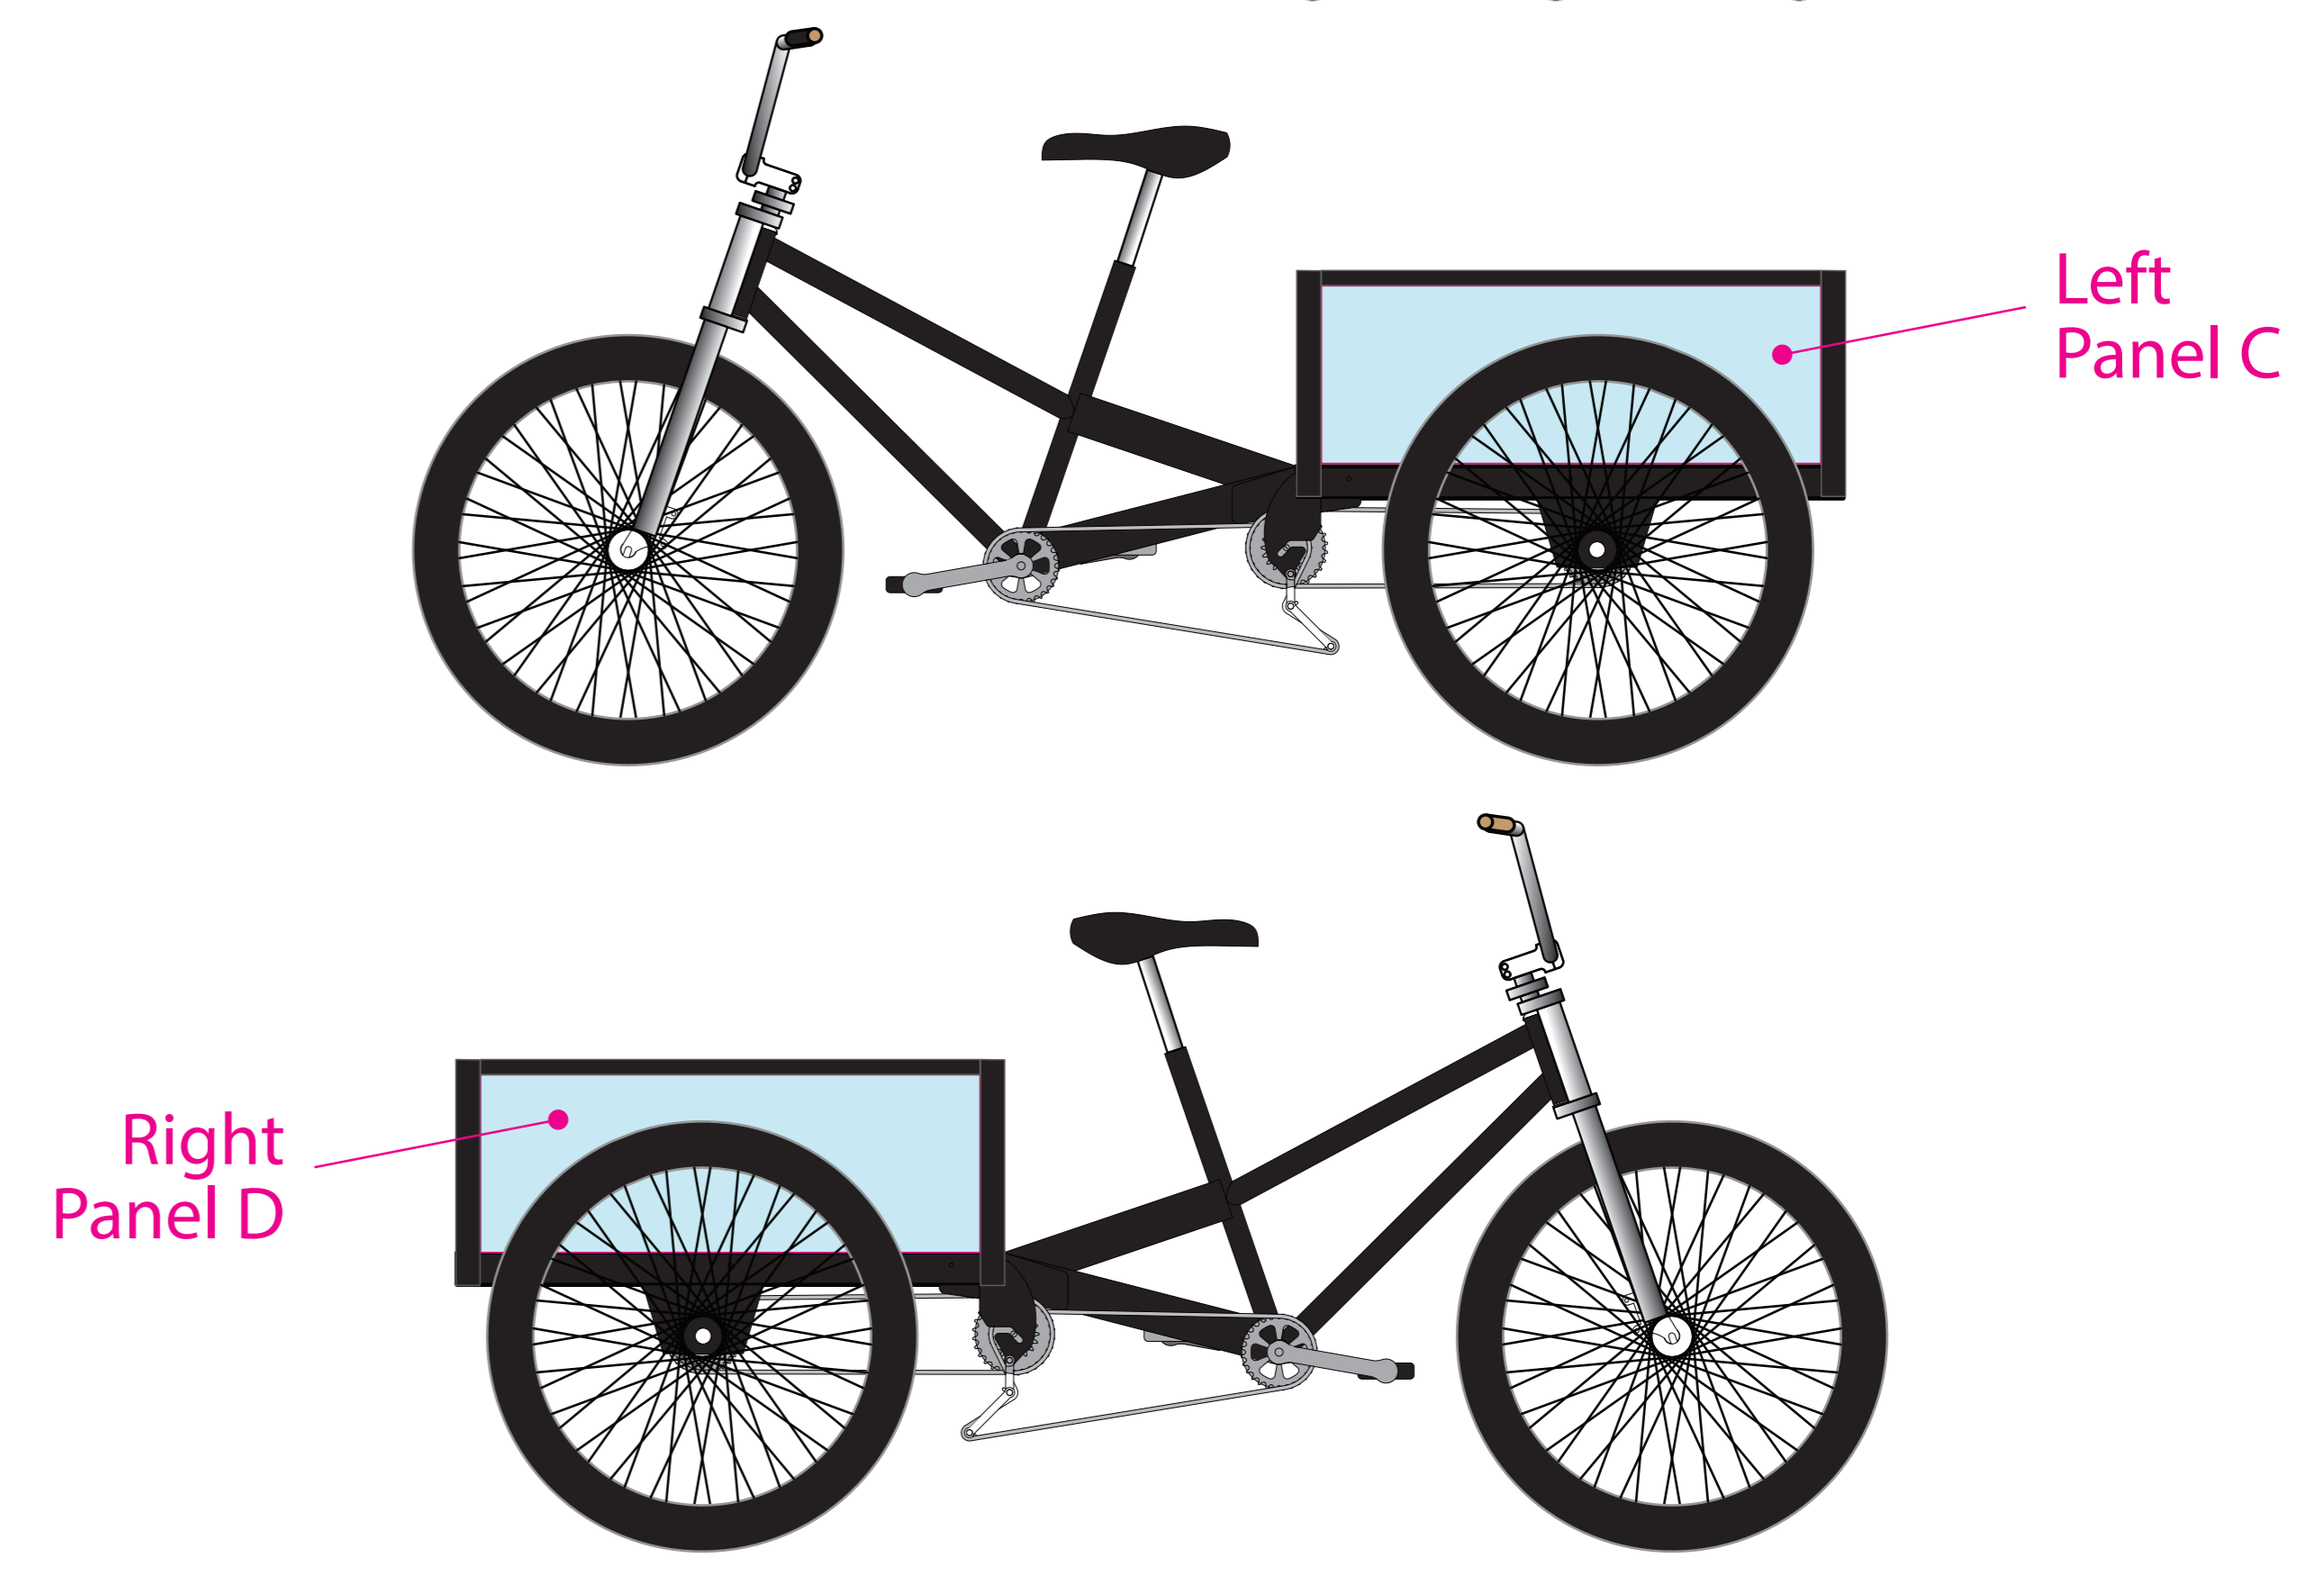

Transit 350 PLN Rear Panel B

LIVE area:
21.25" wide x 8.5" tall
This edge will be the final trim installed on panel. (Light blue area)

Bleed area = 22.75" wide x 9.75" tall
This is total decal size.

BLEED

Transit 350 PLN Right Side C

LIVE area: 31" wide x 12" tall (from bottom)
This edge will be the final size of the panel. (Light blue area)

Cargo box lip edge. 1" down from top edge.

NOTE: Artwork tucks under box edge lip. Visible area is 11" up from bottom

* NOTE: Area behind wheel does not show well. Avoid important content in this area.

Frame Chassis

Transit 350 PLN Left Side D

LIVE area: 31" wide x 12" tall (from bottom)
This edge will be the final size of the panel. (Light blue area)

Cargo box lip edge. 1" down from top edge

NOTE: Artwork tucks under box edge lip. Visible area is 11" up from bottom

* NOTE: Area behind wheel does not show well. Avoid important content in this area.
